Re: Lynwood Hall Charity Golf Event

Dear Friends,

Lynwood Hall Children's Foundation is pleased to sponsor its third annual Charity Golf Event at the challenging Copetown Woods Golf Club on September 19, 2006.

Lynwood Hall Children's Foundation is a registered charity whose primary beneficiary is Lynwood Hall Child & Family Centre. The Foundation has supported the Centre in many ways including sponsoring new innovative programming for kids and families. In fact, the proceeds the golf tournament helped support the "Wraparound" initiative, an innovative community based program.

The Centre is an accredited children's mental health centre providing vital service to children, youth and families throughout our community. The Centre serves children and youth who are burdened with emotional, behavioral and mental health issues. The Centre provides services in a variety of locations including in its residences, day treatment classrooms, foster care homes and in children's and youth's homes, in their schools and in their neighbourhoods.

These services are critical to these children and youth in order that they get back on track. We hope you will be able to join us at **Copetown Woods on September 19th** for this fun and exciting event.

Sincerely,

Glenn Agro
